REQUIRED DOCUMENTS
<p align="center">The required documents may vary depending on the type of project. Additional documents or information may be required when analyzing the application. ***Signed and sealed documents must be sent digitally as well as physically in original versions***</p> <p><input type="checkbox"/> A site plan prepared and signed by a land surveyor identifying the projected position for accessory buildings with a floor area over 25 m² (269 sq.ft.);</p> <p><input type="checkbox"/> For accessory buildings of 25 m² (269 sq.ft.) and under, the layout plan can be hand drawn (you can use a copy of your certificate of location as a reference) on which you'll indicate the following measurements: distance from the main building, from other buildings, from the septic system, lot lines, lakes, watercourse or wetland (if applicable);</p> <p><input type="checkbox"/> Construction plans for accessory buildings with a floor area over 25 m², prepared, signed and sealed by a professional having legal competence. **It is the responsibility of the applicant for a permit or certificate to prepare and submit plans that comply with the Quebec Construction Code, the Quebec Safety Code and other codes in force under the Building Act (RLRQ, c. B-1.1). When the author of the plans is not a technologist, architect or engineer, the applicant or author of the plans must attach a signed letter attesting that the plans submitted comply with the codes in force.**</p> <p><input type="checkbox"/> Construction plans/sketch for accessory buildings of 25 m² (269 sq.ft.) and under showing the foundation, elevations with sections and specifications of the work covered by the building permit, including the list of materials.</p> <p><input type="checkbox"/> If the project is subject to a Site Planning and Architectural Integration Program (SPAIP), additional information will have to be provided, such as: samples or leaflets of materials, color sketches and photographs of other buildings in the neighborhood.</p> <p align="center"><i>It is the owner's responsibility to consult an architect or engineer when The Architects and Engineers Act is applicable.</i></p>

PERMIT FEES (the permit is valid for one (1) year starting on the approval date)	
Accessory Building Construction (residential) equal to or greater than 25 sq.m.	\$75
Accessory Building Construction (residential) inferior to 25 sq.m.	\$50
Renovation, extension, modification (residential)	\$50
Accessory Building Construction (non residential)	\$100
Renovation, extension, modification (non residential)	\$75
Renewal	Same cost as the original permit
Site Planning and Architectural Integration Program (SPAIP)	\$200

IMPORTANT

Please note that an incomplete application may delay the issuance of the permit. The inspector will only process the application when it is complete, and all required documentation has been provided. The inspector on file reserves the right to request any other documents, quotes, reports, or plans needed in order to ensure compliance.

PROCESSING TIME

You must allow a maximum of thirty (30) days after the date of your complete application to receive the permit. However, if the project is subject to approval of a Site Planning and Architectural Integration Program (SPAIP), an additional period of approximately two (2) months is needed to complete the application process.

APPLICANT'S SIGNATURE	
<p>The undersigned states that the previous information is accurate, complete and undertakes to provide all documents required for the analysis of the present application. The undersigned also states that he or she is aware of the applicable municipal procedures and regulations currently in effect.</p> <p><u>Finally, the undersigned understands that this form does not constitute at any time, a permit or certificate of authorization allowing for construction to begin.</u></p>
