Oiseaux Morin-Heights Birds invites you to a round table discussion:
"How artists and scientists can work to protect birds and nature".

with Martin Picard, M.Sc., director, Développement ornithologique Argenteuil
and Lena Measures, M.Sc., PhD.

Saturday, March 28, 2026 10:30 am - 12:30 pm

Chalet Bellevue, 27 Bellevue St., Morin-Heights

If you love birds please join us for this discussion about how professional and citizen scientists, artists, writers, photographers and creators of all kind can work together to help the birds and nature in our region. We welcome your input.

Bilingual! Free!
