IMPORTANT

Please note that an incomplete application may delay the issuance of the permit. The inspector will only process the application when it is complete, and all required documentation has been provided. The inspector on file reserves the right to request any other documents, quotes, reports, or plans needed in order to ensure compliance.

PROCESSING TIME

You must allow a maximum of thirty (30) days after the date of your complete application to receive the permit. However, if the project is subject to approval of a Site Planning and Architectural Integration Program (SPAIP), an additional period of approximately two (2) months is needed to complete the application process.
